Subject: Re: T-Mobile CT11414 Notice of Exempt Modification - Pimpewaug Road, Wilton

Good Morning,

Please consider this email a request to withdraw the Notice of Exempt Modification that was filed on March 14, 2016 (copy attached). T-Mobile plans to modify the proposed loading and will submit a revised notice under separate cover in the near future.

I will forward a letter to your office indicating the same.

Thank you.
